

SPIELART 2007: Newsletter No. 8

GENERATIONS OF ARTISTS IN DIALOGUE

Ladies and Gentlemen, dear friends of SPIELART,

In the following two newsletters we will present two generations of artists with mentors **Romeo Castellucci, Tim Etchells, Jan Lauwers and Johan Simons**, who selected four younger theater makers for a new production. These young artist and their new productions will be shown during the festival in the program *What's next?* and presented in the next SPIELART- newsletter No. 9.

Writer/ director **Tim Etchells**, known to us from the British collective Forced Entertainment, has for the first time been working with a group of children aged 8 to 14. Etchells has written **THAT NIGHT FOLLOWS DAY**, a play in which, with lots of humour and a lucidity that spares nothing and no one, he explores various schools of parenting, education,

FRI 23. and SAT 24.11., at 8 pm, Gasteig, Carl-Orff-Saal

Jan Lauwers is creating specially for the Haus der Kunst and SPIELART an installation that combines as completely as possible the whole of his mental world. After more than 20 years of exploring the media of art, dance, theatre, literature, music and film, Lauwers is putting it all together in a 6-hour marathon performance – an installation by the wonderful members of *Needcompany*. **DECONSTRUCTION 07** is a unique event that will be shown only in Munich.

SAT 17. and SUN 18.11., from noon to 6 pm, Haus der Kunst, Terrassensaal

Romeo Castellucci has created with his research project **TRAGEDIA ENDOGONIDIA** a pandemonium based on the essence of tragedy, which hardly anyone can escape. In each of the episodes of TRAGEDIA ENDOGONIDIA, developed in eleven cities, respective characters, themes and concepts of tragedy are emphasized. Societas Raffaello Sanzio sweeps European theatre audiences into a world of forgotten concepts of humanity, taking them on a journey to old myths and new emotions. SPIELART 07 shows the film version.

SAT 17. 11., at 2 pm Episodes 1 –6 and SUN 18. 11., 2 pm Episodes 7 – 11, Neues Arena Kino

Johan Simons, whose PRINZ FRIEDRICH VON HOMBURG can actually be seen at the *Münchner Kammerspiele*, will participate together with Tim Etchells, Jan Lauwers, Romeo Castellucci and the younger theatre directors at the panel discussion **THE FUTURE OF THEATRE? GENERATIONS OF ARTISTS IN DIALOGUE**.
